Camera Poles

Excellence through security engineering

Camera Poles:

iMAT's camera poles are highly versatile and suitable for a diverse range of environments, ranging from high security areas such as correctional facilities, to everyday environments such as residential areas, office parks, fuel stations, highways, byways, and industrial parks. Their ability to be used in such varied settings underscores their effectiveness and adaptability for surveillance purposes. Their adaptability suggest they can effectively monitor wide range of locations, enhancing safety and security.

Features:

- Available in 3m, 4m, 6m, 8m, 12m and 15m pole length options
- Material options: mild steel or stainless steel.

Design and finishes:

Base plate:

- 3m and 4m (fixed or hinged)
- 6m – 15m (Hinged)

Operation:

- 3m and 4m (fixed or hinged)
- 6m and 8m (Hinged)
- 12m and 15m (Cantilever)
